TO: OFFICE OF U.S.D.C.  
JUDGE R.W. ZOBEL D.J.

Dear Lisa Orso

On Sunday November 28, 2004 at approximately 3:30 P.M., My Son's dog  
Ran out the front door without being leashed. I went outside after him, because  
The Town of Jonesboro in Clayton County, Georgia has a Leash Law, in effect,  
That dog's are not allowed to run free, had to be retrieved sooner than later.

As I left the house the dog ran across the street, I then saw the neighbor's dog  
Who was unleashed at the time, run after our dog and mow him down into the  
Ground causing him severe physical injury in which he was unable to get up  
And was yelping, from the pain.

I picked up the dog and brought him back home, as I placed him down inside  
The house I was bitten on my left hand at the thumb, as it was later found by  
The Veterinarian's x-ray's, (in short terms) he had suffered a broken Femur  
At his hipbone and a bone socket dislocation, in which he was operated on  
By Dr. Hutto at Riverdale Veterinarian Hospital.

Currently I have a splint on my left thumb and a bandaged left hand where I  
Have been slowed down, due to the fact that I have had an increased amount  
Of pain, (other than my back injury), and that the Emergency Room Doctor  
Has adjusted my medication temporarily.

On December 3, 2004 I was seen by a family Doctor who examined my  
Left hand and wrist has written me a note to rest the injury for (10) days,  
If you would kindly allow a (10) day continuance, I will continue with the

Answers being prepared for a memorandum in law sent by Sloane & Walsh

And The Commonwealth, as soon as possible and will deliver up, my papers

To your office by December 24, 2004, pending this Court's Decision.

Thank you very much for your attention in this matter, please find supporting

Sincerely Yours
